

## INTERNAL INTERNATIONAL SCHEDULED MOOT RANKING ROUNDS 2025-26

### INTERNATIONAL MOOTS - BIDDING POLICY

#### GENERAL RULES:

1. The bidding for International Scheduled Moots will take place on **22<sup>nd</sup> August 2025 (Friday), 1:30 pm at Room No. 504**
2. Only the POC from the team will be allowed to be present during the bidding process. The said member is requested to be seated at the aforementioned venue at the time specified by the Organizing Committee. Late arrivals will not be allowed.
3. The bidding is to allocate International Moot Court Competitions held by Institutions outside India to teams that have secured a rank based on their performance in the IISMRR 2025- 26.
4. For the bidding, Mooter is defined as any student participating in the Internal International Scheduled Moot Ranking Rounds and who has secured a rank after participating in the Oral Rounds.
5. The teams are requested to decide the International Moot they choose to bid for, in advance, before the bidding meeting, from the list of scheduled moots that has been attached in the corresponding mail as an Annexure.
6. The moots will be called out, and the bidder with the highest rank in terms of value (numerically the lowest) who is present during the bidding of the moot in question, will be allotted the moot that is currently being bid upon.
7. The teams can proceed with the registration after the completion of the documentation process and when the respective competitions call for it. The bidding procedure shall be considered equal to the allotment process.
8. Please note that for bidding and representation of SLCU in the Scheduled International Moot Court Competitions, only the teams that have taken part in the Oral Rounds of IISMRR 2025-26 will be eligible. (Except in cases of De-reserved

### International Moots.

9. If one or more individual mooter(s) of the Mooting Team, due to reasons such as but not limited to prior genuine commitments, the impossibility of participation, health reasons, and such other legitimate reasons, is/are unable to take part in the allotted International Moot, such Mooter(s) must provide a No Objection Certificate.

10. An individual mooter can take NOC from the original team only once and choose to either join another team or abstain. If the mooter chooses the former, at no point in time for any reason whatsoever, withdrawal from the team is permitted after documentation.

11. The No Objection Certificate (NOC) can be taken only from those mooters who have taken part in the Oral Rounds for IISMRR 2025-26.

### DOCUMENTATION FOR THE ALLOTTED MOOTS:

12. Post allotment, the teams must follow the following two steps of documentation:

a. The first set of documentation (skeletal documentation) must be done before **3rd September 2025**.

b. The second set must be processed at least two weeks before the team leaves for the respective moot/pre-moot/ memorial qualifier/ national round/ international round, etc.

13. The documentation that has to be processed is of two types.

a. Concerning teams with competition dates that have not been published, these teams must submit a skeletal report consisting of the basic information of the team (Annexure 1,2,3, and NOCs), and there is no need for KP reports to be attached for the same. The documentation must be mailed to [mcs.allotment@law.christuniversity.in](mailto:mcs.allotment@law.christuniversity.in).

b. The teams whose competition dates have been published must complete the entire documentation submission, including the submission of the KP reports for attendance.

14. Teams are not allowed to register for the moots till the entire documentation process has been completed. Once the registration is done by the teams, the Moot Court Society must be updated about the same.

15. The responsibility of finding registration dates, memo qualifier dates, competition dates, general competition rules, etc, lies solely on the team.

16. The required documentation format can be found in the MCS Code under Annexures. All documentation will have the physical signature of all the team members, specifically on the Permission letter and the Undertaking of Students. The Guardian Permission letter's signature can be provided digitally.

17. When the dates of the pre-moots and other rounds are announced, the teams must inform the MCS so that the team's documentation process can be initiated. The team will have to do all types of pre-moot documentation well in advance (at least 2 weeks before departure).

18. It is requested that all teams maintain their attendance above 85%. The MCS will not be entertaining any kind of Special permission letters.

19. The team composition shall be final once the documentation process is complete. At least 2 members from the original team rank, who were allotted the moot must remain in the final moot team after the NOC procedure is completed.

20. If there is a non-adherence to the procedure set in the MCS Code, Information Communicated by the MCS, or the IISMRR Addendum regarding the documentation, the entire documentation process must be repeated once again.

**WITHDRAWAL FROM ALLOTTED MOOT:**

21. The withdrawal procedure must be done as per the MCS Code 2025-26.

22. A withdrawal mail is to be sent by one member of the team, carbon copying all the team members, [mcs.allotment@law.christuniversity.in](mailto:mcs.allotment@law.christuniversity.in), and [iismrr@law.christuniversity.in](mailto:iismrr@law.christuniversity.in). If the format of carbon copying is not followed, the withdrawal mail will not be considered.

**PROCEDURE FOR RE-ALLOTMENT OF MOOTS:**

23. The Re-allotment procedure for allotting the unallotted international moots will be as done per the 'General rules for Bidding' unless specified otherwise.

24. The definition of team for the re-allotment procedure is as follows:

a. A team that has withdrawn from the previously allotted moot by sending a valid withdrawal mail. In any instance, the final team composition will consist of not less than two members holding the same rank.

b. If two or more members have taken a valid NOC from the original team, they together will constitute a team for the re-allotment procedure. The two members in question must have the same rank and may bid using the team rank secured in IISMRR 2025-26. The team can choose to include additional members from other ranks as per the NOC procedure.

25. The Re-Allotment procedure will be done online, and bids for the same will be collected via a Google form that will be sent through mail by the OC.

26. Individual Ranks will not apply during the bidding process to the participants who have secured a rank in IISMRR 2025-26. Only the team rank will be taken into consideration for the bidding process.

28. A team that wishes to bid for a moot can utilize its team rank only if the composition of the members exceeds more than 1. These members must possess the same team ranks.
